Begin Again (this as your new 12 o'clock wall)

- The restarts come halfway through the 3rd and 7th walls.
- You will complete 2 full rotations of the dance. On the 3rd Wall...you will complete the first 16 counts of the 3rd rotation ending with the full unwind to the right to face your original 12 o'clock wall, your left foot is free and you restart from the beginning of the dance.
- Next you will complete 3 full rotations of the dance. On the 7th Wall - the same goes for rotation 7. After the first 16 counts and the unwind, you'll be facing your original 3 o'clock wall to restart the dance.
